The Jewish people have studied the Sefer Torah, the Torah scrolls, also called the "Torah," or the "Five Books of Moses" for over 3,000 years. The Sefer Torah is the most precious possession of the Jewish people; its commandments cover the entire range of human and social behavior. The Torah has kept Judaism alive and growing throughout millennia.

At Chabad Lubavitch of Northern Virginia, we believe that every person is precious.

Our Sages have taught that each and every Jew has a letter in the Torah that corresponds to his or her Soul and spiritual identity.

If even one letter is missing, the whole Torah is incomplete.

Similarly, each Jew is an integral and irreplaceable part of the Jewish people, Klal Yisroel.

Chabad Lubavitch of Northern Virginia is excited to share this Mitzvah with the community and to give all an opportunity to have a stake and ownership in this once in a lifetime project.
